

*Prairie Cardiovascular with
Boyd Healthcare Services, is
proud to present...*

Your Heart, Your Health!

*“Come join us for an
engaging discussion about
Heart Health.*

*Cardiovascular disease is
the leading cause of Death
in the US and the World. Let
us review means and ways
to prevent this deadly
illness.”*

Boyd Healthcare Services mission is to provide quality health care and promote wellness for the residents in our region through Health Services, Information Resources and Education.
